It’s Competition Time…

Today we have sent home a plastic cup for you to fill with anything you like: sweets, bath soaps, crayons, stickers, cotton wool balls etc.

Literally anything that we can sell at the Christmas fayre! All money raised will go towards school fund.

Last year you filled them with all kinds of things, we had some amazing ideas from sweets to cosmetics. A prize will be given to the most creative in each year group. We are grateful for all entries as it helps raise money for school fund. Thank you in advance.

Wonderful Maths!

This week I carried out lesson observations of maths. I saw some wonderful challenges across the school and I was particularly impressed with our Reception children. Ask your child what they have been learning. Well done to the teachers and the children!

This week we welcomed visitors from Whales class to their workshop where parents had the opportunity to see their child’s learning. It’s always good to see you.

Vision Statement
HAPPINESS is at the heart of Beeces Infant School. We create a relaxed environment in which each individual child is happy. We believe everything follows from happiness. Children are more receptive learners when they’re happy; they’re more caring and respectful when they’re happy; and they’re more likely to fulfil their potential when they’re happy.
Of course, we’ll challenge each child through our inspirational teaching. At BI we promote responsibility and independence whilst offering opportunity and support. We strive for our children to be the best they can be.
