Marvellous Me

Year 1 & Year 2

Marvellous Me is an exciting app that tells you about the wonderful things that your child is learning and alerts you when they’ve been praised for demonstrating one of our learning behaviours. These include; working cooperatively, never giving up, concentrating, being curious, having a go, using imagination, improving, enjoyment of learning.

Please see the postcard you have been given with your child’s code and simply follow the instructions. You can acknowledge receipt of your child’s praise by sending us a high five!

SEVERE Snow Weather

In the event of extreme weather we might text you in the morning asking you to enter school through a different entrance. Please make sure you stick to the designated paths around school—a plan of these can be found in the classroom windows. When there is snow these are cleared. Please avoid the playground and other areas when there is ice, again use the designated paths. Please ALWAYS assume school will be OPEN and in the rare event that we do need to close we will communicate with you via:

- Text message
- Information on our website
- Local Radio Station—Free Radio
- (technologies permitting)

School Council and Unicef Ambassadors

Pupil voice is extremely important to us

Article 12. You have the right to give your opinion and for adults to listen and take it seriously.

Our School Council consists of two pupils from every class who have been elected by their class mates. They met today for the first time and have carried out introductions. The Council worked with Miss Tillsley and learnt about their important role; representing the voice of their peers.
